ENTREPRENEURSHIP: A CONTEMPORARY APPROACH

Donald F. Kuratko, Ball State University
Richard M. Hodgetts, Florida International University

A thorough, practical introduction to the creation and operation of a new business. A practical approach with strong theoretical foundations, this text is unique in its combination of exercises, cases and extensive pedagogy to reinforce concepts. It is the first such text to cover current topics like women entrepreneurs, intrapreneurship, international marketing, and ethics. ENTREPRENEURSHIP also features a full chapter on entrepreneurial technology and product innovations. Also available are an Instructor's Manual with test bank and transparency masters and a student Study Guide/ Exercise Workbook.
